C) Oral Communications 1 – None.

D) Reports

- 1) Fair Manager Perkins-Hagele reported that the June financials are not available at this time due to holiday weekend. Deputy County Administrator Rod Rice noted that this was the end of a fiscal year which requires additional time to prepare financials for the new fiscal year. Perkins-Hagele explained that because of how the fiscal year falls, it is very important that fair expenses for the current year do not show up until the fiscal year in which the fair is held. In the end, June financials will be very similar to the May financials.

- 2) **4-H Report** – Pat Willis updated that MOU had been finalized and continued with a brief overview of Horse Fair beginning July 7th, 2011. Over 120 horses and 300 participants are involved this year. The night security person has been found and Fair Manager Perkins-Hagele confirmed they will also be security during regular fair. The Photography and Technology displays will also be held during Horse Fair on Saturday July 9th, to give the 4H kids the opportunity to experience both divisions. Mr. Willis also commented on the planned Booster breakfast during Horse and regular Fair. He expressed how important sharing meals together as a group is for the kids, it is a change for the better. There will also be a meeting between 4H and FFA advisors to better coordinate for Fair, this will help the kids have a positive experience. The next topic regarding shavings provided for the 4H participants, Mr. Willis was very grateful for the donation of shavings by the Fair Board. Perkins-Hagele explained that shavings would be provided for Horse Fair but exhibitors for regular fair will still need to bring shavings as noted

in the Open Class Premium Book. Discussion ensued regarding shavings for regular fair, which ultimately will be finalized at the Livestock meeting. Deputy County Administrator, Rod Rice asked Mr. Willis about the final walkthrough that was scheduled to take place prior to start of Horse Fair as he was not notified of the date as requested. Mr. Willis stated that no walk through was done at this time. Rice stressed the importance that an adult supervisor be present at the wash racks at all times as well as no curly hoses used at the wash rack. Mr. Willis stated that last years incident was an accident and accidents happen, the wash rack improvement is strong and the area looks great.

E) Old Business

- 1) 2011 Fair Updates** – Fair Manager Perkins-Hagele provided an overview of the media plan for the fair. The budget allowed for \$105,000 but as media is very expensive in the Portland metro region it isn't enough to purchase what they would like. To implement cost saving procedures the buys were done in house instead of paying an agency a fee to facilitate, which allows the budget to be spent wisely. The media plans included partnering with Radio, Television, Cinema and print as in the past. New this year adding Univision Spanish advertisements, billboard displays and the In The Box Mobile Media truck. The complete media package will be available for review after fair. Fair Board Member, Bill Ganger asked Perkins-Hagele about the status of the Premium Book and when another update would occur. Perkins-Hagele stated the final version was published in May and uploaded to the website, no other updates will occur. Fair Board Member Scott Nelson asked about the possibilities of posters being displayed at businesses. Fair Board Member Matt Pihl also asked about bumper stickers being an option. Perkins-Hagele explained both these options are cost prohibitive and do not have the reach other forms of advertisement do. Perkins-Hagele also provided a brief update on the Carnival, Butler Amusements appears to be a great partnership with good communication. The Clint Black concert has been given a capacity of 6000 by the Fire Marshall and the Armory will be used as a back stage location for the concert.

F) New Business

- 1) Other** -Washington County Sheriff Jeff Mori presented the Incident Action Plan and gave an overview to the board. For Fair all primary law enforcement is done by the Sheriff Department, outside the fair Hillsboro Police Department will coordinate with the Sheriff. Lieutenant McGregor will again be in command this year and a dedicated dispatch for the event will be provided.
- 2) Other** – Board Member Ganger presented a letter from the Boosters requesting free use under new board policy 301. Board Member Nelson asked if Mr. Ganger was able to provide a follow up to the requested list of booster contributions. Board Member Ganger provided a brief run down of improvements such as the water feature near the Cloverleaf building and improvements to barns and building in 2006. President Don McCoun then asked Board Member Ganger if the breakfast is still free for Horse Fair and Fair. Mr. Ganger replied that the first day of horse fair is free and the Saturday of regular fair will be, due to the partnership with The Waffle Lady offering free waffles. Board Member Duyck stated that the Booster group would be given free use of the facility during the breakfast times they are providing which he feels is fair considering they are providing free breakfast on two occasions during Horse and regular Fair. A lengthy discussion ensued regarding the issue of paid use of the facility during the Arena events. Board Member Pihl expressed concerns that there is a danger of becoming like Multnomah County with low attendance. Board Member Duyck reaffirmed the impossibility due to the dedicated Hotel Motel tax and other profitable fair activities. Board member Pihl motioned to allow non paid use, motion 2nd by Board Member Logan and each member briefly commented before voting.

Motion by Board Member Pihl to grant Boosters Non-Paid Use as per Policy 301 . 2nd by Board Member Logan. Board Members Ganger, Pihl and Logan in favor, President McCoun, Vice President Attebury, Board Members Duyck and Nelson against. Motion failed 3-4.

- 3) **August Work Session-** President Don McCoun asked staff regarding an August work session. Fair Manager Leah Perkins-Hagele stated the board had requested at the last work session that another session be held post fair. Deputy County Administrator Rod Rice suggested that this would be an opportunity to create a Strategic Plan for the year and a debriefing of activities during Horse and regular Fair. Discussion ensued and ultimately a meeting will be schedule to discuss these items during August with a date to be determined.

G) Other Matter of Information

- 1) County Administrative Update –Deputy County Administrator Rod Rice gave an update on the land swap with the National Guard Armory. Board Member Dan Logan questioned the location of the construction of the road as the area marked doesn't appear to be what was discussed befor. Fair Manager Leah Perkins-Hagele and Deputy County Administrator Rod Rice commented that is the location but additional area has been marked off as a construction easement. Rice reinforced that the County will not be giving any more land than what was agreed upon. Rice also stated that the city is a great partner to the Fair and has provided services to the fair for some time. Perkins-Hagele stated that unfortunately due to the city schedule construction will continue throughout fair.

H) Oral Communications 2–

- 1) **Jacqueline Spahn** – Thanked Board Member Matt Pihl for donations of time and equipment to the 4H kids. Also thanked the Fair Board for donation of shavings this year.
- 2) **Jan Harer, Horse Superintendent-** Expressed concerns for the City of Hillsboro's road construction during Horse Fair. It is a liability and will result in a law suit as the noise will scare horses causing an accident. Ms. Harer stated the construction needs to stop for Horse Fair and regular Fair.
- 3) **Tom Black, Booster Vice President** - Black provided an update on the Booster sponsored Barn Dance to be held Friday July 29th at 5:30 p.m. Black stated they have been advertising and fundraising successfully. The dance is scheduled to have two bands The Water Tower Bucket Boys and headlining act The Buckles at 8:30 p.m. A caller is also scheduled to lead the dance. Mr. Black also commented on the question of what the Booster group has done for the fair. He stated their involvement in the parade each year and the in-kind donation of fencing surrounding the fountain.
- 4) **Glenna Dryden, Booster Member-** Ms. Dryden stated that the Fair Board is welcome to assist at the Booster Food Booth during Horse Fair and regular Fair. She asked the board how much the VIP dinner cost and where the money comes from? Fair Manager Perkins-Hagele replied that the cost information was not available at this time. Ms. Dryden in response to what the boosters have provided over the years stated that The Boosters would do more if they trusted the Fair Board.
